THE PROPERTY MANAGEMENT SPECIALISTS

To whom it may concern

29<sup>th</sup> November 2021

Dear Sirs

**GS Group**

GS Group have acted as the insurance brokers for PMC Management and Lettings since 1<sup>st</sup> of January 2015. They have managed our company policies, but also our very large property policy covering the block buildings insurance for our factoring customers. This policy covers a sum insured of over £500 million.

Throughout our time with GS Group, we have been on the receiving end of exemplary service with all aspects, including claims management and service. Not only do they have a high level of expertise and experience in managing large property portfolios like ours, their communication and customer service is exceptional.

The invaluable support and advice given by GS Group have made them an indispensable partner of PMC, vital to our continued successful trading, and someone we look to continue working with for many years to come.

Yours sincerely
